Available in 5 Gallon Pail only.

ENVIRONMENTAL COMPLIANCE

IMO MARPOL Annex III • IMO MARPOL Annex V • EPA NPDES • EU REACH

DILUTION DIRECTIONS For best results, apply SURFACE CLEAN to a dry or damp surface. DO NOT SATURATE THE SURFACE WITH WATER. Agitate the surface with a sponge, brush or polypropylene pad. Allow SURFACE CLEAN to affect the surface for 30 seconds to 5 minutes. Rinse with clean water. Repeat if necessary. ON WOOD SURFACES, maintain and protect the surface with BIO CLEAR 2000 and TRITON
