**BOAT SOAP** is the ideal boat wash for removing grease, grime and tough dirt. Its advanced formula lifts trapped dirt molecules, leaving behind an incomparably clean and streak-free surface. Boat Soap is formulated using the latest and safest technologies, and is the best boat wash for saltwater and freshwater use.

## **COST & PERFORMANCE**

- Safe for ceramic coating, waxes and other surface treatments
- Advanced surfactant engineering provides exceptional cleaning
- Contains no thickener offering superior solubility
- Suitable for high temperature applications
- Superior penetration of dirt and oil
- Low streak/smear profile
- Excellent rinsing properties
- Stable when in contact with acids, alkali and hydrogen peroxide

## **USE & APPLICATION**

- All painted surfaces
- Ceramic coated surfaces
- Gelcoat
- Plastic
- Fiberglass
- Rubber
- Silicon
- Polymer surfaces

## **PRODUCT SPECIFICATION**

Appearance: Clear liquid

Solubility: 100% in water

pH: 11.1-11.7

## SUGGESTED DILUTION/DIRECTIONS

Add 1 oz of Boat Soap in 1 gallon of clean water (1:128). Add an additional 1-2 oz per gallon for a very dirty or heavily soiled surface. Wash using a soft cloth, sheep skin mitt or soft brush. Rinse with clean water.

## ENVIRONMENT

- MARPOL Annex III and Annex V compliant
- NPDES compliant
- REACH compliant
- Excellent aquatic toxicity profile
- Readily biodegradable
- No VOC's
- Phosphate and nitrate free
- Contains no propylene glycol
- Does not contain glycol ether

## SIZES

Quart (32 oz), Gallon (128 oz)

**Can be SAFELY rinsed or discharged into all lakes, rivers, streams and waterways.**

Ditec believes that the environment is our most precious asset, and we must take personal responsibility for how we affect it. We develop products that are unsurpassed in quality and performance, and meet or exceed the highest environmental regulatory standards in the world.

Ditec Marine Products certifies that our products are fully compliant with the standards of MARPOL Annex III, MARPOL Annex V, EPA NPDES, and EU REACH. When used as directed, our Ditec products are not harmful to the marine environment and can be discharged overboard with wash water. We are committed to being the leader in environmental responsibility in the marine industry.
